2025-2026 SPONSOR REQUEST

Support the 100% Self-Funded Warwick Valley High School Crew Team!

The Warwick Valley High School Crew Team has a proud history of success, including:

- **2023 NY State Champions** in Girls Straight 4
- **Silver Medalists** in Girls Freshman 8
- **Bronze Medalists** in Boys Straight 4
- **Consecutive Winners** of the HVRL Orange/Ulster Championship Cup in 2023 and 2024

We are fortunate to have world-class coaching from the Codys, who volunteer their time and expertise. However, as a club sport within the Warwick Valley Central School District, the crew team is 100% self-funded. We rely on athlete fees, fundraisers, and generous donations to cover our annual expenses, which exceed \$15,000. This does not include the cost of new equipment, such as a used shell which can range from \$10,000 to \$15,000.

Why Support Us?

- **Teamwork and Personal Growth:** Rowing promotes teamwork, self-confidence, academic excellence, leadership, and positive communication skills.
- **High Visibility:** Our team competes in multiple regattas each season, some drawing hundreds of attendees, providing great exposure for sponsors. We also display our sponsorship banner at all local fundraising and school events, promoting your business and demonstrating your support to our community.
- **Local Impact:** Your support helps us improve equipment and provide top-notch training for our athletes.

Sincerely,

The Warwick Crew Booster Club
